

PTM Talking-Points Card

Aanya Malhotra · Grade 5-A · 12 Oct · with Ms. Priya

OPEN WITH

“Aanya has been our quiet anchor this term — I want to share two moments where that really showed up.”

TWO PROUD MOMENTS

- Mediated a group-work fallout in Science without adult help.
- Wrote the most thoughtful response in the class reflection journal (Sep 18).

ONE GROWTH FOCUS

Aanya waits till she's certain before speaking. We're going to invite her early in discussions — please try the same at home when planning weekends together.

ASK THE PARENT

- What does she talk about most when she gets home?
- Is there a sibling or cousin she opens up to easily?
- How does she handle it when plans change last minute?

AGREE ONE SMALL NEXT STEP

Parent + teacher pick one home habit and one class habit to trial for the next 3 weeks.
